"Women Lifting Their Voices"

An original art piece by Synthia SAINT JAMES to commemorate the inauguration of Dr. Roslyn Clark Artis as the 13th President of Florida Memorial University and to honor women who have dedicated their lives and careers to lifting the voices of the communities they serve.

Artist SAINT JAMES is a world renowned multicultural artist, award winning author and illustrator of seventeen children books, authored an autobiographical art marketing book, three poetry books, a book of affirmations, and a cookbook.

She is also a popular keynote speaker and architectural designer who has garnered numerous awards over her forty plus years career.
