This year, we saw the largest group of aviation graduates in the last 20 years—a total of 15. In addition, we are joined by Advisory Board member Mrs. Lauraine Murray and aviation alumni 2LT Donovan Smith, Vaughan Johnson and Maiga Assitou.

**FALL/SPRING AVIATION GRADUATES**

Shanisse Lanoue (BS Degree in Aeronautical Science (Con in Flight Ed) was selected to introduce the Commencement speaker, Secretary of Homeland Secretary Jeh Johnson.

Gabriella Deza (BS degree in Aeronautical Science—Con in Flight Ed) will enter Coast Guard Officers training later this year with the goal of becoming a military pilot.

**TUG-A-PLAN**

Aviation students participated in the United Way Annual Tug-A-Plane for charity this year. The task was to assemble a team of 10 individual to pull an empty B757 aircraft approximately 50 yards as quickly as possible. It turned out to be not as heavy as they thought.

**2015 C. ALFRED ANDERSON SCHOLARSHIP**

Our eight aviation students have completed their 2015 C. Alfred Anderson Scholarship internships at Miami International Airport. Not only did they gain valuable industry experience, but they were also given a stipend of $2,500. They are pictured with Emilo Gonzalez, Director of Miami Dade Aviation (far right).

**SOUTH FLORIDA AVIATION FLY IN & EDUCATION EXPO**

Several aviation students participated in the South Florida Aviation Fly in and Education Expo during the month of April. Approximately 2000 area middle and high school students were entertained with static displays and information about our programs.
