If you have been selected for a review process called “Verification” or “FMU Online Verification”, you will need to follow these instructions and create a login. Verification is required to be completed in order for a financial aid file can be finalized.

Follow the steps listed below to create your secure login, to verify your financial aid account:

1. Go to: https://fmuniv.verifymyfafsa.com/Account/Login
2. Click on “Create Account”
3. Create your unique username and password. Your first name, last name, date of birth and social security number are required in order to verify your identity and link your account to with your FAFSA information. These 4 identifying fields must match your FAFSA application exactly in order to create your account.

Submission of all information and documents required for Verification should be submitted online via our Student Verification web site. Instructions on what documents are required and how to upload them will be provided when you enter the site. Students should submit and E-Sign documents as directed. If parent signatures are required, the student will be given directions on how to set up a signature request to the parents.

When your account has been created, you can log into the main Student Verification web site. The Welcome page displays a list of tasks that need to be completed. Click on each section to see what information and/or documents are required. Click on the question mark icons for more detailed information about individual items.

Dependent students: please note that you are responsible for filling out and E-Signing certain forms in this process. After you E-Sign, you will be presented with instructions on how to request a parent signature. Follow the steps given and tell your parent(s) to expect an email with instructions on how to E-Sign the required documents.
