Love is in the Air at FMU!

We are celebrating Love in the month of February

Alonza Holden (1971) and Maxine Johnson Holden (1973) found "love in the air" at first sight in October (1968) in the auditorium! We were united in holy matrimony on Sunday, March 1, 1970 by FMU's Minister Charles Walker. Two children were added to this union (Alonza Tyrone and Anisha). Furthermore, we have been blessed with four grandchildren. By the way, Alonza Tyrone graduated from FMU in 1998! With BS degrees in Elementary Education and MS degrees from Nova-Southwestern University, we completed our careers with 36 and 35 years in the Miami-Dade County Public School System. After retiring in 2007, we moved to Gainesville, Florida. Our time together is well spent with our worshipping and serving The Lord, traveling, spending quality time with each other and family, and caring for our freshwater-tropical fish. After forty-seven years, "Love is STILL in the Air!"

Romans 8:28--"And we know that all things work together for good to those who love God, to those who are called according to His purpose."
