Love is in the Air at FMU!

We are celebrating Love in the month of February

Love is in the air. We met on campus in 1971. We are married over 38 years (August 07, 1976). We are proud parents of three daughters and three grandchildren. We are faithful members of Memorial Temple MB Church where we have been going since students at FMC.

Jimmie is a retired teacher and coach of 35 years and Sharon a retired manager of Bahamasair of 34 years.

We have traveled all over the world and are now contented to stay near home with travels in the United States and The Bahamas.

God is good. Life is good. His mercies endures forever.
