Each participating institution determines application procedures, deadlines and student eligibility

INITIAL ELIGIBILITY REQUIREMENTS TO RECEIVE FUNDING:

The student will: • Be a Florida resident and a U.S. citizen or eligible non-citizen. A student's residency and citizenship status are determined by the postsecondary institution. Questions regarding such status should be directed to the financial aid office or admissions office of the institution the student plans to attend. • Not owe a repayment or be in default under any state or federal grant, loan or scholarship program unless satisfactory arrangements to repay have been made. • Not have previously received a baccalaureate degree. • Enroll for a minimum of 12 credit hours per term, or the equivalent, at an eligible Florida college or university. • Be an undergraduate student who is in the process of attaining a first bachelor's or baccalaureate degree. • Meet Florida's general eligibility requirements for receipt of state aid. • Not be enrolled in a program of study leading to a degree in theology or divinity.

STUDENT AWARD RENEWAL

• A renewal applicant must have earned a minimum institutional cumulative grade point average (GPA) of 2.0 on a 4.0 scale, and earned the equivalent of 12 credit hours for each term an award was received during the academic year. • Eligibility is determined at the end of the second semester or third quarter of each academic year. Credit hours earned during the previous summer may be counted toward the total number of credit hours required. • A student should consult the postsecondary institution for additional renewal requirements which are established by the institution.

STUDENT AWARD REINSTATEMENT

A student who met the requirements for a renewal award, but did not receive an award during a full year of eligibility and wishes to reestablish use of the grant, may apply for reinstatement with the postsecondary institution in a subsequent year provided the student has earned an institutional cumulative GPA of 2.0 on a 4.0 scale as of the end of the second semester or third quarter of the academic year preceding the year the award is sought.

TERMS OF ELIGIBILITY

A student is eligible to receive an award for a maximum of 9 semesters or 14 quarters. • Undergraduate students participating in college-preparatory instruction, students requiring additional time to complete the college-level communication and computation skills testing programs (CLAST), or students enrolled in a 5-year undergraduate program are eligible to receive financial aid for a maximum of 10 semesters or 15 quarters. Five-year eligibility does not extend to a program of study which leads to the simultaneous award of a graduate and undergraduate degree. • Unused terms may not be used for further course funding after a student earns a baccalaureate degree.
