The examination must be scheduled through Program Coordinator with the approval of the Director of Graduate Programs before the deadline and will be coordinated by the student's committee. In case of failure, the candidate may not be reexamined until the following semester. The result of the second examination is final.

Students whose performance is deemed unsatisfactory on the comprehensive exam are only permitted one (1) re-examination. All re-examinations can only be taken the following semester or after during the specified comprehensive examination period.

### Field and Clinical Experiences

### Private Loans

Students eligible for private loans are required to complete a private loan application with a lender of their choice. The application may be requested directly from the lender or by contacting the Office of Financial Aid.

Eligibility for a private loan is based solely on the credit history of the student. The University recommends that students request copies of their credit reports before submitting loan applications so that they can check for any discrepancies.

International students are required to have a co-signer/borrower to apply for the loan who is credit worthy and a United States citizen or eligible non-citizen. In some cases, the lender may require the student to submit additional information along with the application. Applications can be completed and submitted at [www.applyonlinenow.com](http://www.applyonlinenow.com). For more information regarding securing a private loan, interest rates, fees and repayment options, students can contact the following: [citiassist@studentloan.com](mailto:citiassist@studentloan.com) (1-800-394-7580) OR [suntrust@suntrustededucation.com](mailto:suntrust@suntrustededucation.com) (1-866-897-9793).

## Grading Systems and Quality Points

A	4.00
A-	3.70
B+	3.30
B	3.00
B-	2.70
C+	2.30
C	2.00
C-	1.70
D+	1.30
D	1.00
F	0.00
W	Official Withdrawal from the university
WP	Withdraw Passing
WF	Withdraw Failing
I	Incomplete
P	Pass

Students may be given an “I” only if a small part of the course is missed because of unavoidable circumstances and there is a reasonable chance of obtaining a “C” or better if that part is complete. Students must complete this work within the established period of time (see the Academic calendar) without further registration or class attendance. Failure to adhere to this policy within one semester after receiving a grade of incomplete will result in the grade of “I” converting to the grade of “F.” Students who have field for graduation may not receive an “I” during the semester in which they plan to graduate. If a grade of “I” is received, student must reapply for graduation at the next scheduled application period. Students receiving a grade below a “C-” must retake the course.

## Grade Reports

Within fifteen working days after the end of an academic term, each student will receive a grade report showing grades for courses completed for the term. The report will also reflect the term grade point average and a cumulative grade point average. Grade reports are unofficial records.

## **Change of Grades**

Final grades can be changed only in instances of documented error. Grade changes must be reported by the professor on the Change of Grade Form. The form must be signed by the instructor and submitted with appropriate documentation to the Dean of the appropriate program who in turn will submit it to the Office of the Registrar where the grade change is recorded. A student whose grade is changed will receive a student copy of the transcript reflecting the grade changed. A grade may not be changed after two (2) semesters have elapsed.

## **Grade Appeal**

Students may appeal grades if it is demonstrated that a faculty member has made a capricious or prejudicial evaluation in grading. To resolve grade grievances, students must adhere to the follow procedures:

1. Discuss the problem with the instructor with whom they have the grievance.
2. Meet with the Dean of the School or MBA Director if the problem cannot be resolved with the instructor.
3. File a grade appeal with the Graduate Grade Dispute Committee if the School Dean cannot resolve the problem.

An appeal must be appropriately filed in the semester following the one in which the disputed grade was given.

## **Registration**

Students must comply with student load requirements as explained in the Academic Regulations section of this catalog. Students must register in accordance with the published schedule for pre-registration, and late registration for the Fall, Spring, and Summer semesters.

will be canceled if not completed by the published deadline. Students will not be permitted to register after the late registration period.

## **Course Cancellation**

Course(s) may be canceled by the Dean of each program in the event of insufficient enrollment or lack of an instructor.

Withdrawal from courses at the end of the drop period, students may withdraw from one or more courses during the withdrawal period indicated on the academic calendar. Grades of "WP" (Withdrew--Passing) or "WF" (Withdrew--Failing) will be given to reflect academic progress at the time of withdrawal.

## **Withdrawal from the University**

Students may withdraw from the University as late as one week before the last week of the first eight sessions. Beyond this time, official documentation should support an emergency beyond the control of the student. An official withdrawal form must be executed during the term that the student wishes to withdraw from the university. Students who wish to withdraw from the University should contact the Office of Register for procedural information. The effective date of the withdrawal is the student's last day of attendance according to faculty records.

Students can also be administratively withdrawn from the University at any time by the Registrar upon recommendation by the Deans of each School, the Director of Graduate Program for the respective school, the Vice President for Student Affairs, the Vice President and Provost, or the President. Such withdrawals may be for disciplinary reasons, for failure to meet financial obligations, or for failure to follow academic regulations. Students whose enrollment at Florida Memorial University is interrupted for more than one semester are required to submit an application for re-admission. The application must be sent to the Deans

of the appropriate School and the Director of Graduate Programs for each respective program.
