**Acceptable Use Policy for Student Access to E-Mail and the Internet**

Each student is required to read the following statement and sign the acknowledgement of acceptance prior to receiving a FMU network ID and password.

1. I will use the Internet for “educational purposes,” including classroom activities, research, and career development and for high quality, self-discovery activities. I will not use resources to “surf the Internet” for personal, non-academic or non-college business activities.
2. I will respect the rights of copyright owners and will not inappropriately reproduce a work that is protected by a copyright. If a work contains language that specifies appropriate use of the work, I will follow the expressed requirements. If I am unsure whether or not I can use a work, I will request permission from the copyright owner and will give appropriate credit.
3. I will not intentionally access material that is profane or obscene (**pornography**), that advocates illegal acts, or that advocates violence or discrimination towards other people (**hate literature**). Should I unintentionally access such a site, I will immediately move to another site. If I mistakenly access inappropriate information, I will immediately inform the Computer Center. (This will protect you against a claim that you have intentionally violated these guidelines.)
4. I will not waste limited resources such as disk space by storing large files unless absolutely necessary for college business purposes. If such downloading is necessary, I will download the file at a time when the system is not being heavily used and will immediately remove the file from the network to my personal file directory.
5. I agree to be held accountable for any actions and for the loss of privileges if I violate these guidelines.

**ACKNOWLEDGEMENT OF ACCEPTABLE STUDENT GUIDELINES  
FOR THE INTERNET**

I have read the Acceptable Use Guidelines for the Internet regarding the appropriate use of the Internet while a student at Florida Memorial University. I understand this acknowledgement will be kept on file. I agree to comply with the above stated guidelines and to use the Internet in a constructive manner for appropriate academic and personal enrichment.
