

Supersedes Policy No: Date:	<b>FLORIDA MEMORIAL UNIVERSITY INFORMATION MANAGEMENT AND TECHNOLOGY  POLICIES AND PROCEDURES</b>	<b>Policy No: PN0022</b> <b>Effective Date: 06/12/01</b> Attachment(s): Replaced by PN0037, PN0038 and PN0039 As of 7/7/04
<b>SUBJECT: Personal Computer Hardware and Software Supported</b>		

Approved in Cabinet June 12, 2001

Updated 9/07

Updated 04/15

The following list indicates acceptable department hardware and software supported by the IMT technicians:

- Dell Optiplex iCore Computers and Laptops
- Network Card 100/1000
- Sound Card, Speakers
- Windows 7 & 8 operating system
- Microsoft Office 2013
- Vipre Antivirus
- Adobe Acrobat
- PowerCampus
- Great Plains
- PowerFAids
- Citrix XenDesktop

Any changes to this basic list of hardware and software must be approved by IMT. Departments involved in publications may request Macintosh computers and accompanying software support.
