Re: SACSCOC Update

The SACSCOC Task Force continues to hold its weekly meetings. During last week's session, the committee began to review suggested supplemental benefits received by faculty and staff affected by the 10 percent salary reduction in July 2022.

As Florida Memorial University moves into the new year and new semester, it is important to share with the community the upcoming dates and deadlines enforced by SACSCOC:

- In **March 2022**, a full, detailed report on the University's response to the SACSCOC findings will be submitted to SACSCOC.
- In **April 2022**, the SACSCOC Task Force will prepare for a site visit from the accrediting body.
- In **June 2022**, a decision will be made by SACSCOC on the status of the University's accreditation.

The next communication on behalf of the SACSCOC Task Force will be disseminated when the University returns from winter break.
