

Survey Questionnaire for Effective Access Student Education Grant Program Accountability Reporting

Florida Memorial University
15800 NW 42 Avenue
Rodney Sobelson
Tel Number 305 6263698
ccanas@fmuniv.edu

The State of Florida requires all institutions participating in the Effective Access to Student Education (EASE) Grant to submit accountability data annually.

Institutions should follow a similar data information model as supplied for IPEDS except **only using undergraduate Florida resident students**, defined as those students the institution has certified as Florida residents for state aid purposes.

Institutions should use the **First Time in College (FTIC)** Fall cohort that was established as of the Fall census date except for question #5, Postgraduate Employment / Continuing Education Rate. The most recent data available should be used if the specified year is not available. Please note the year if different from that requested.

If you do not have data segregated for Florida resident students, please note so and provide your best estimate. Please do not leave any responses blank or enter "N/A" responses.

Please provide the following data and return to Dr Elizabeth Winslow (ewinslow@icuf.org) by July 22, 2022.

Please contact Clyde Diao (cldiao2@gmail.com) or Jared Parker (jared.parker@regionaleconomicconsulting.com) with questions.

1. Access Rate

a) **What was the total number of FTIC students?**

- Total number of FTIC students is the Fall 2021 Florida resident FTIC cohort taken as of the census date.

Number	Year/Time Frame
383	2021/Fall

b) **What was the total number of FTIC students eligible for the federal Pell Grant?**

- Pell eligible FTIC students equal the number of students in 1a that received the Pell Grant.

281	2021/Fall
-----	-----------

2. Affordability Rate

a) **What was the total number of FTIC students?**

- Total number of students enrolled should equal 1a.

383	2021/Fall
-----	-----------

b) **What was the total cost of tuition and fees for all FTIC students?**

- Published tuition and fees for 1a, i.e., published tuition and fees per student multiplied by total number of students.

3224094	2021/Fall
---------	-----------

c) **What was the total amount of federal student loans and federal, state, and institutional assistance?**

- Total amount of federal student loans and federal, state, and institutional assistance for full-time, first-time degree seeking Florida resident undergraduates who were awarded federal loans and any grant or scholarship aid from the federal or state government or the institution. This amount should include the total for the full year. Parent and private loans should not be included.

3701562	2021-2022
---------	-----------

3. Graduation Rate

a) **What was the total number of FTIC students enrolled in 2016-17?**

- Total number of FTIC Florida resident undergraduate students in the Fall 2016.

305	2016/Fall
-----	-----------

b) **What was the total number of graduating students that finished in 6 years or less?**

- Total number of students that have graduated should include the FTIC Florida resident cohort established in the prior 6 years. Use the 2016 cohort.

110	
-----	--

4. Retention Rate

a) **What was the total number of FTIC students enrolled in the previous academic year of 2020-21?**

204	2020/Fall
-----	-----------

- Total number of students enrolled in 2020-21 is the Fall 2020 Florida FTIC cohort taken as of the census date.

b) What was the total number of FTIC students who returned in 2021-22?

- Total number of students from 4a that enrolled in Fall 2021.

112	2021/Fall
-----	-----------

5. Postgraduate Employment/Continuing Education Rate

--	--

a) What was the total number of students that graduated in the previous academic year of 2020-21?

- Total number of students graduated in the previous year. This total should include Florida resident undergraduate students that graduated during the 2020-21 academic year.

130	
-----	--

b) What was the total number of students employed full-time 120 days after graduation in 2020-21?

- Total number of students employed full-time 120 days after graduation in 2020-21 should include the number of students in 5a that were employed full-time 120 days after graduation.

82	2020 FEFTIP data
----	------------------

c) What was the total number of students enrolled in a postgraduate education program 120 days after graduation in 2020-21?

- Total number of students enrolled in a postgraduate education program 120 days after graduation in 2020-21 should include the number of students in 5a enrolled full-time in a postgraduate program 120 days after graduation.

18%	
-----	--

6. Institutional Choice of Pillar of Excellence

Examples: percentage of **undergraduate students aged 25 and older**. Need not be Florida-resident specific.

31%	2021/Fall
-----	-----------
